

20 Pray for our Facilities Team, keeping buildings and properties God has given us maintained and updated to provide settings for many to encounter His presence and be drawn to His Word.

21 Intercede for our Communications Department, that every item produced via print and various technologies would reflect God and His ways with integrity.

22 Life Action has the privilege of hosting interns from various disciplines who join us for several months at a time, improving their ministry and business skills. Ask God to use us in their lives, and them in our lives, to further His kingdom outreach.

23 Pray for Life Action's remote staff—those who serve our ministry from their own hometowns across the world—asking God to keep their hearts fresh in His Word and their eyes on Jesus.

24 Ask God to bring across our path those He desires to join us in serving, adding believers to our staff who have a heart for revival and spiritual awakening and are equipped to help.

25 The imminent presence and glory of God physically left Israel's temple at the close of Old Testament times because of the people's spiritual indifference to Him. But at the birth of Christ, God's glory returned to Israel and the nations in the Person of God's Messiah. Thank Him, and pray for His glorious presence to continue powerfully changing hearts and lives in this present day.

26 Cover our Scheduling Department with prayer as they seek to wisely discern where to send our teams for Summits, Conferences, and other outreach events.

27 We live in a world connected by technology. Pray that God would keep our systems working efficiently and that He would use current opportunities to flood devices and markets with the living, powerful Word of God.

28 Cover our *OneCry* staff in prayer today, asking God to make His direction clear regarding what regional prayer events He would have them facilitate.

29 Again we ask your prayers for the 2019 *Revive Our Hearts* Conference in South Africa. Ask God to prepare the speakers and musicians to effectively minister His Word to the attendees from their own walk with Him.

30 Pray for the staff of Life Action Ministries—from the newest team members to those who have served here for over forty years—that we would daily be centered on the Lord Jesus Christ, ready to say yes to whatever God asks of us.

31 Let's enter 2019 with earnest prayer that this coming year would be marked by God's powerful work in national spiritual revival and awakening in North America, centered around our wonderful Savior, the Lord Jesus Christ!

LIFE ACTION

PRAYER CALENDAR

DECEMBER 2018

"Let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith."

— Hebrews 12:1-2 ESV

1 Life Action's three traveling teams have been diligently ministering since September, encouraging individuals and congregations to seek the Lord first in everything—to say yes to God. They are on a month's break now, so pray for needed rest, renewal, and preparation for ministry in 2019.

2 Pray that God will meet Life Action's year-end financial needs and that donors would participate in a matching challenge that has been made possible. Pray that the funds God provides would multiply and drive life-changing outreach to people and communities.

3 Byron and Sue Paulus, serving faithfully as Byron fulfills our Executive Director responsibilities, greatly appreciate your prayers as they travel to meet with Ministry Partners of Life Action. Ask for safety and a productive time connecting and strengthening relationships.

4 The *Revive Our Hearts* radio broadcast for women covers thousands of miles daily as it brings the convicting and renewing ministry of God's Word to its listeners. Pray that God would provide all that's needed for effective outreach in current broadcasting markets and any new markets He desires.

5 Pray specifically for the 2018 year-end financial needs of *Revive Our Hearts*. More than 40% of their total donations for the year come in December, so this month is always pivotal to the plans they make for outreaches in the new year.

6 The *Revive Our Hearts* team in South Africa is preparing for their first women's conference, in March: "Come to the Well." Pray that women would hear about the event and

register to come, and that God would make physical attendance and remote access possible for those who most need it.

7 We ask your prayers for staff couple Dan and Melissa Jarvis and the seven children God has added to their family over the years (some of whom have special needs). Pray for His powerful daily grace, stamina, and provision as they welcomed triplet newborns last month—bringing their total to ten.

8 Intercede for Peter and Michelle Davis and Life Action Canada. Pray that they continue to seek God faithfully in all their planning for the coming year. Ask God for vital direction, staff, and resources. Pray for each revivalist, and ask God to continue to bring workers for the harvest.

9 Cover with prayer the *Aviva Nuestros Corazones* Spanish radio broadcast to women all across Latin American communities, asking God to bring freedom, fullness, and fruitfulness as women respond to the teaching of His Word.

10 Pray for Life Action's newest staff members who are raising their financial and prayer support teams, planning to join us full time. Ask for God's abundant provision!

11 Intercede for Gerhard and Janice Du Toit, who mentor university students and faculty—and others—in the ministry of intercession for movements of revival and awakening throughout the nations.

12 Pray for Mark and Amy Bearden as Mark presents Revived Faith prayer conferences across our land, calling and training pastors and lay people to a committed ministry of intercession.

13 Please pray for God's daily provision of resources and funds for each of our staff members and families.

14 Pray for our Senior Leadership Team as they meet today, for wisdom and the Lord's direction for their decisions.

15 Ask God for His protection and purity on our staff marriages and the moral purity of our single staff members as they seek to be a light in our present culture.

16 December at *The Lodge* brings opportunity to host local groups for special gatherings, and gives the staff some time to prepare for ministry in their coming retreat seasons. Ask that God leads and provides very specifically for all He desires to accomplish.

17 Cover in your prayers the translation work of the *Revive Our Hearts* audio podcast into Farsi, Portuguese, French, and other languages that will reach women worldwide with the accessible teaching of God's Word.

18 Cover Life Action's home-based, behind-the-scenes staff who work from our National Ministry Center in Buchanan, Michigan. Ask God to daily provide their needs and fit them for ministry, giving them joy as they quietly serve.

19 The *Life Action Camp* staff host seasonal events for local churches and organizations at this time of year. They also take needed family time, touch base with their supporters, make program plans for next year's busy outreaches, and perform needed maintenance and construction tasks. Please pray for them!
