

In order for us to better understand your abilities, we would like to see you interact with children. Please create a video of at least ten minutes of you teaching children. This does not have to be a staged event; we simply would like to see you in action. Please do not feel like you need to have a professional video made. It may be as simple as having children in your home and telling them a Bible story. Thank you for your interest in the Children's Ministry. Please see below for more details on the requirements for your audition.

Children's Ministry Audition

Your audition video must include:

- Your name and where you live
- Your salvation testimony
- Your burden for children's ministry
- A Bible lesson (at least 10 minutes long) with application to children (personally taught by you) If possible, teach the lesson to children, but if necessary, it may be done directly to the camera. (This segment can be a Sunday School Class, AWANA, Vacation Bible School, or even a few children in your home.)

If you have any questions, please call the Human Resources Department at 269-697-2078.
