

# DECEMBER 2024

## Prayer Guide

*"You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many."*

*2 Corinthians 1:11 (Esv)*

- 1** Ask God to provide the needed financial resources for Life Action to continue ministering to a nation in need of revival and spiritual awakening. We are trusting Him for \$900,000 to finish the year well and move into the New Year able to reach a needy nation with the message of revival.
- 2** As our leadership spend time in meetings and prayer, ask the Lord to grant the wisdom, insight, creativity, discernment, and fresh urgency needed to advance the call to inspire individuals' next yes to God.
- 3** Today is Giving Tuesday. Ask the Lord to prompt the generous hearts of donors to support the financial needs of Life Action.
- 4** Our Communications Team works creatively to reach people through print and online publications, social media, videos, and podcasts. Ask the Lord to bless them with innovative and ingenious ways to reach multiple generations, inspiring them to say yes to His call on their lives.
- 5** We have a few gaps in our spring road team schedules. Please ask the Lord to fill the gaps with churches eager to be renewed, refreshed, and reinvigorated in their walk with Him.
- 6** Pray for our staff who serve remotely from their hometowns, asking God to give them opportunities to effectively share His truth and influence others for His kingdom.
- 7** Take time today to pray for revival in your church, community, county, state, and nation. Pray for a season of breakthrough in word, power, and deed, resulting in a "new normal" for the culture and spiritual climate of our nation.
- 8** This is a busy time of year for our Accounting, Data Processing, and IT staff. Pray for their physical need for rest and their spiritual need for individual time with Jesus. Intercede for the ability to be attentive to detail, and ask for His blessing on these servants and their work.
- 9** Earnestly ask that God would keep our ministry and staff pure, operating out of love for Him and love for our neighbors nationwide and worldwide, without being tainted by pride or a drive for personal gain.
- 10** Intercede for our financial donors today, asking the Lord to multiply blessing to them for their generosity in supporting this ministry. Ask God to meet their spiritual needs this day.
- 11** Cover our staff department heads today as they give assignment and direction to those under them. Ask the Lord to meet their spiritual needs as they, in turn, lead their departments with His power and grace.
- 12** Ask the Lord to bless those serving in facilities, food service, housekeeping, and security as they provide critical behind-the-scenes support for all our departments and teams. Ask for His clarity in their tasks, a fresh sense of His presence, and additional staff as needed.
- 13** Take time today to remember the many ways God has provided for your needs, the needs of your home church, and the needs of Life Action. We praise Him for His continued direction and wisdom for over fifty-three years of calling America (and the world) to seek revival.
- 14** Praise the Lord for Life Action's leaders, and for our prayer and financial partners who carry the ministry forward on mission in seeking God for revival and spiritual awakening.
- 15** Pray that God's Spirit will blow winds of life-altering, passion-producing, eternity-focused change across this nation and spreading worldwide, drawing hearts to prayer and obedience to Jesus.
