MAY 2026
Prayer Guide

"To get nations back on their feet, we must first get down on our knees."

Billy Graham

1 The Silver Team will finish up their event at First Baptist Church in Cheraw, South Carolina, on Sunday. Ask the Lord to continue to impact the lives of those attending, for His glory alone!

2 Major preparations are underway for Family Camp during this month. Pray for the staff as they work diligently to ensure that the attending families are well served with spiritual and physical rest and reconnection with each other and the Lord.

3 Today the Blue Team, with Steve and Debby Canfield and Michael and Jodie Pool, begin a 4-day HOPE Conference at Reclamation Church in Monroeville, Pennsylvania. Ask the Lord to use the team and speakers to infuse fresh hope in Christ into the hearts of these believers.

4 Ask for the Lord's favor as we approach the end of this fiscal year. As God supplies this ministry's many financial needs, thank Him, and ask for His blessing to advance and grow our ability to spread a passion for revival and kingdom advancement.

5 The *Life Action Camp* staff will be hosting various one-day or weekend events this month. Pray that they serve well, demonstrating hospitality and the love of Christ in all they do.

6 Tomorrow is America's National Day of Prayer. Join others in crying out to God for revival and spiritual awakening in this country, with a worldwide impact. This year's theme is "Glorify God Among the Nations—Seeking Him in All Generations" (1 Chronicles 16:24). Ask God to help you pray fervently for our nation!

7 Pray for our staff to walk in the wisdom of the Holy Spirit, and for God to give those we come in contact with a desire to support and advance the call to revival in our nation.

8 As our church event teams return to Michigan, some team members will staff the next six weeks of Family Camp, while others take a break and then return to work the second half of Family Camp. Ask God to refresh their desire to serve joyfully and maintain physical and spiritual health.

9 Ask God to fill the teams' schedules for this coming fall and spring with churches eager to be challenged, renewed, and filled with His Spirit. Pray for our staff members who are contacting and scheduling churches to make new connections and encourage the pastors in their own spiritual growth.

10 Today we celebrate Mother's Day. Remember those women who have provided nurture, comfort, and love in your life. Pray that mothers, grandmothers, stepmothers, and adoptive and foster mothers respond in kindness and love to those in their care.

11 Pray for the staff who are accepting new team members and making sure the new recruits have all they need to arrive ready for staff training in July. Ask the Lord to prepare the new team members' hearts and minds to adjust to new situations and relationships.

12 Pray for the young people planning to join the *Life Action Camp* CREW this summer, committing to help our guests have an outstanding week learning to follow God as a family. Pray that they will minister well in housekeeping, in food service, or as family assistants during each week of camp.

13 Intercede for Mike and Dana Lee as they provide vital leadership to Life Action. Ask the Lord to protect their individual and family time in the Word to maintain healthy, growing relationships.

PRAY PRAY

14 Ask God to raise up the needed youth and children's ministers, musicians, teachers, family assistants, truck and bus drivers, and financial clerks to serve on each team. Pray for wisdom in putting the teams together to fill these needs.

15 As the Advancement Team meets with donors, ask the Holy Spirit to give them opportunities to minister to these people who so faithfully invest in Life Action. We want to bless and encourage them further!

16 Lift up Tim and Tammy Rensberger, who have served with Life Action for 40 years, asking Jesus to give them physical strength, grace to serve, and ability to love staff and guests well.

17 Each month, we trust the Lord to provide $35,000 to our general fund, in addition to event love offerings and registration fees. Ask God to supply this need as only He can.

18 Intercede for the revivalists and their families as they take a much-needed break and prepare for the next travel season. Lift up Steve and Debby Canfield, Michael and Jodie Pool, Shane and Leigh Black, and Zack and Heather Boller.

19 As a ministry, we are always in need of people to serve. Ask God to raise up those with the specific skills, talents, and abilities needed to plug in to the areas of need on staff or church event teams.

20 Continue to intercede for our fiscal year-end need. We trust the Lord to faithfully provide beyond what we ask or imagine in order to help advance revival among his people.

21 As our staff continues to prepare for team member training in July, ask the Lord to grant wisdom, clarity in communication, and creativity in developing what is needed to impact children, youth, and adults through clubs and worship and teaching times.

22 Final preparations are underway for ten weeks of Family Camp, beginning June 1. Ask God to infuse those serving with hearts ready to pour His grace, love, and care into the attending families. Pray also for safety for those traveling to Buchanan, Michigan, to experience a week of fun and growth in Christ.

23 Praise the Lord for the numerous churches our road teams ministered to this past travel season. Ask Him to continue the work begun in the many individual lives and grow the impact they have on their own marriages, families, and communities.

24 Life Action's mission is to inspire people to passionately pursue Jesus, giving their next *yes* to God. Pray about that *yes* today: "Lord, in what way could my next *yes* help accomplish the mission of Life Action, and even more, help grow Your kingdom?"

25 On this Memorial Day, thank God for those who fought and gave their lives to gain and maintain our freedoms as a nation.

26 Lift up A.J. and Ashley Pollard in prayer, asking God to grant wisdom and strength as A.J. serves as Waterfront Coordinator and on the Activities Team. Pray for their family's continued impact for Christ's kingdom.

27 As our staff gathers for chapel today, ask the Lord to renew and challenge our hearts and minds through worship and His Word.

28 Pray for our Communications Team as they create content to help people seek and obey God.

29 Intercede for Del and Debra Fehsenfeld. Pray that their passion and impact in renewing relationships with God's purposes and priorities change the course of marriages and families.

30 As we approach our fiscal year's end, ask the Lord to bless those who give, many sacrificially, to meet the financial needs of Life Action. Ask Him to pour out His blessing and equip us to aid in drawing hearts to repentance and revival this coming year!

31 "O Lord, I love the habitation of Your house and the place where Your glory dwells" (Psalm 26:8 NASB). As your congregation gathers to worship, ask God to fill your being and church with His glory and to make His presence known.
